

## About DriveTime

DriveTime has been specializing in financing used cars for people with poor credit since 2002. We know that there are many different reasons for being in tough financial situations, which is why DriveTime treats you with the respect that you typically don't receive from other dealerships. Most dealerships avoid customers that have poor credit, but at Orlando DriveTime we are ready to help you get into a used car that you are proud to drive.

At our Orlando DriveTime locations we do 99% of all of our own financing and our friendly staff helps you find a vehicle that suits your lifestyle. Our goal is not to worsen your credit, but rather to improve it. That's why we search for a used car that will have payments that fit your budget. Our Orlando DriveTime locations pride themselves on having a welcoming environment with a family-like staff. We are always willing to help out our customers and feel that people should not be judged on past financial mistakes, but on the actions they take to improve their future.
