

Used Car Sales Orlando

Your Used Car Sales Orlando Headquarters

If you're looking for used car sales Orlando has a plenty of choices. One option is to go a big dealer, but plan on getting turned down when they look at your credit report. Alternatively, you can try one of those buy here, pay here places and end up with a high-mileage jalopy. Or, you can save up and buy a vehicle off the side of the road or out of the classified ads. But if you have bad credit and are in the market for used car sales Orlando has only one real choice, and that's DriveTime.

We're known coast to coast as the place where you can get financing and a great car even if your credit is poor. We go the extra mile to make sure our customers are treated fairly and professionally, regardless of how bad their credit might be. We talk a lot about the DriveTime family, and put that philosophy into practice every day.

And that's not the only quality that makes us special. DriveTime isn't just the auto dealer; we're also the finance company. We won't be asking a bank or other lender to finance your loan, and we won't "sell your paper" when the deal is done. We do it all right there at the store, and your loan is with DriveTime.
